

Powerful Industrial Stand Fan & Wall Fan

- Optimized strong metal blades For large air volume
- Energy saving, long service life, Low noise & low vibration motors
- Built-in gear strength for smooth & lasting oscillation
- Strong & firm safety guard with Metal pedestal
- Incessantly operate 5000 hour failure-free
- Suitable for all applications

Performance Data

Model	Size		Rating Voltage (V)	Phase	Stage 1 (Low)				Stage 2 (Medium)				Stage 3 (High)				Weight (Kg)	
	(mm)	(inch)			R.P.M	Air Volume (m ³ /min)	Noise (dB)	Power (W)	R.P.M	Air Volume (m ³ /min)	Noise (dB)	Power (W)	R.P.M	Air Volume (m ³ /min)	Noise (dB)	Power (W)		Temperature Rise (K)
